EXPERIENCE

Uzinfocom OpenSource, Tashkent — Contributor

June 2022 - PRESENT

Uzinfocom Open Source contributor

Najot ta'lim, Chilonzor — Assistant

January 2022 - PRESENT

I am instructor for new foundation groups

EDUCATION

Najot ta'lim, Backend developer

November 2021 - July 2022

October 2021 / May 2022 - Node Js Bootcamp. In this course, we studied the JavaScript core and Node js core modules and did several projects.

July 2020 / October 2021 - Programming foundation. In this course, we learned C and Python from programming languages, solved algorithms in these languages, and we learned that programming languages do not matter
